Hello!

The Natural Resource Trustees sent the Portland Harbor PRPs a Notice of Intent to perform an injury assessment in early January. The notice invited the PRPs to participate in funding and implementing the assessment. Details on this process will be provided during an informational meeting. The meeting is scheduled for **March 11th at 1:00pm** and will be held at the CRITFC office (see below).

The Trustees believe the March 11th meeting will be very informative. Your awareness of our process will provide an opportunity for more coordination on the overall PH Superfund Project. We hope you are available to attend. Thank you!

Meeting Location Information:

Attached is a map showing the location of the CRITFC office and parking options. The address is: 729 NE Oregon, Suite 200 in Portland, Oregon.

For security purposes, the meeting attendees are required to go the second floor reception desk to receive a guest badge. The attendees return the badges to the reception desk at the end of the meeting. Use the elevator to access the second floor. We are meeting in the large, downstairs (i.e., basement) conference room now referred to as the Celilo Room.

Parking is no longer available at the CRITFC offices. Parking is available in the surrounding area (please see the map). Alternatively, one can take the Red Line MAX from the airport and exit at the 7th street MAX stop. Red and Blue Line trains from downtown headed east also stop at the 7th street MAX stop. There is a coffee shop in the Liberty Center and a coffee/sandwich stop (J Cafe) at 533 NE Holladay Street.

The phone number for the CRITFC front desk is: 503-238-0667.
